

§ 1410.10

the areas are devoted to an agricultural commodity.

§ 1410.10 Conversion to trees.

An owner or operator who has entered into a contract prior to November 28, 1990, may elect to convert areas of highly erodible cropland, subject to such contract, which is devoted to permanent vegetative cover, from such cover to hardwood trees (including alley cropping and riparian buffers limited to hardwood trees where permitted by CCC), windbreaks, shelterbelts, or wildlife corridors.

(a) With respect to any contract modified under this section, the participant may elect to extend such contract in accordance with the provisions of § 1410.7(b).

(b) With respect to any contract modified under this section in which such areas are converted to windbreaks, shelterbelts, or wildlife corridors, the owner of such land must agree to maintain such plantings for a time period established by the Deputy Administrator.

(c) CCC shall, as it determines appropriate, pay up to 50 percent of the eligible cost of establishing new conservation measures authorized under this section, except that the total cost-share paid with respect to such contract, including cost-share assistance paid when the original cover was established, may not exceed the amount by which CCC would have paid had such land been originally devoted to such new conservation measures.

(d) With respect to any contract modified under this section, the participant must participate in the Forest Stewardship Program (16 U.S.C. 2103a).

§ 1410.11 Restoration of wetlands.

(a) An owner or operator who entered into a CRP contract on land that is suitable for restoration to wetlands or that was restored to wetlands while under such contract, may, if approved by CCC, subject to any restrictions as may be imposed by law, apply to transfer such eligible acres subject to such contract that are devoted to an approved cover from the CRP to the WRP. Transferred acreage shall be terminated from the CRP effective the day a WRP easement is filed. Partici-

pants will receive a prorated CRP annual payment for that part of the year the acreage was enrolled in the CRP according to § 1410.42. Refunds of cost-share payments or any applicable incentive payments need not be required unless specified by the Deputy Administrator.

(b) An owner or operator who has enrolled acreage in the CRP may, as determined and approved by CCC, restore suitable acres to wetlands with cost-share assistance provided that Federal cost-share assistance has not been previously provided specifically for wetland restoration on the proposed restoration site. In addition to the cost-share limitation in § 1410.41 of this part, an additional one time financial incentive may be provided to encourage restoration of the hydrology of the site.

§ 1410.12—§ 1410.19 [Reserved]

§ 1410.20 Obligations of participant.

(a) All participants subject to a CRP contract must agree to:

(1) Carry out the terms and conditions of such CRP contract;

(2) Implement the conservation plan, which is part of such contract, in accordance with the schedule of dates included in such conservation plan unless the Deputy Administrator determines that the participant cannot fully implement the conservation plan for reasons beyond the participant's control and CCC agrees to a modified plan;

(3) Establish temporary vegetative cover when required by the conservation plan or, as determined by the Deputy Administrator, if the permanent vegetative cover cannot be timely established;

(4)(i) A reduction in the aggregate total quotas and acreage allotments for the contract period for each farm which contains land subject to such CRP contract by an amount based upon the ratio between the acres in the CRP contract and the total cropland acreage on such farm. Quotas and acreage allotments reduced during the contract period shall be returned at the end of the contract period in the same amounts as would apply had the land not been enrolled in the CRP unless CCC approves, in accordance with the
